At WKU I earned a degree in Healthcare Administration. After graduation I earned my Masters degree in HR Management from Webster University. I've spent my professional career providing guidance to business leaders on maximizing employee performance, managing employee relations issues, recruiting, compensation, and employee engagement.

I'm passionate about sports and the value it brings to a child's life; which carries throughout their life. I'd also like to help children + motivate them to achieve their life goals whether in sports or another arena.
