Subject:	INSTALLATION OF ADDITIONAL LIGHTING AT DICK BLAKE PARK (PUBLIC WORKS DEPARTMENT)

Attachments:	Memorandum; quote
---------------------	-------------------

Staff Contact:	Public Works Director Poole
-----------------------	-----------------------------

Background:	Insufficient lighting at Dick Blake Park was identified by a resident as a potential safety issue, and the concern was brought to the City's attention. Quotes were solicited from six companies, and only one was received from Infinity Electrical Solutions, Inc., in the amount of \$9,456.50. Because the item is not budgeted in Fiscal Year 2018-2019, the City Manager respectfully requests funding the project out of reserves.

RE: Dick Blake Park – Additional Lighting

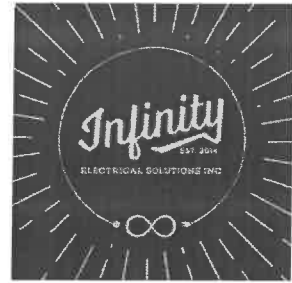

Date: September 20, 2018

Attached is an estimate from Infinity Electrical Solutions, Inc. in the amount of \$9,456.50 for the installation of five (5) light poles along the existing walkway that is wooded and dark in the non-daylight hours.

This concern was brought to the City's attention by a citizen that reported the lack of lighting as a safety issue.

After contacting six (6) companies for a quote Infinity Electrical Solutions, Inc. was the sole provider of a quote. Since this is an unbudgeted request, the City Manager respectfully requests it be paid for out of reserves.
