Please provide qualifications, experience and background that you feel would be beneficial to the board or committee selected I have over thirty years of business management experience. I have owned several profitable small businesses and I have served in senior leadership roles at some very large corporations. My background is primarily in IT and business process management. I have lived in the community for 30 years and I am looking for a way to get involved and give a little back.

Note:
Applications will be kept on file for a period of two (2) years. Periodic contact will be made to inquire into your interest in appointment to the selected board or committee before your application is submitted to the City Council.

Please provide qualifications, experience and background that you feel would be beneficial to the board or committee selected
 Through both my professional career and personal advocacy experience, I have worked to empower community members to contribute to problem solving. As a public health professional for the past 20 years, I recognize the need to find strategic partners that will build a healthy and vibrant Rockledge. I would like to use a collaborative approach with other governmental sectors, civic organizations, faith communities and business to develop all parts of our city.
