3. NEW BUSINESS

A. Football Field Lighting Proposal (The McKnight Family Sports Complex)

City Manager McKnight presented a lighting proposal from Musco Sports Lighting which provides lighting for sports fields throughout the United States. The lights at the soccer fields at Dick Blake Park were put in by Musco.

Discussion ensued about the changes made at the football field to comply with full field requirements, as well as safety zones. The old lighting was removed, as it did not comply with safety standards. Also discussed was the fact that this is the only sports field without lighting and the need for participation financially by the Rockledge Youth Football League.

**Motion by Councilman Blake, seconded by Councilman O'Neill, to recommend that the lighting project be approved, with participation financially by the Rockledge Youth Football League. The motion passed unanimously (2).**
