The 2020 Census marks the first time you will be invited to respond online—even on your mobile device. You can respond by phone or mail—they're secure, too—but going online is a great option, because it is:

Convenient

When you respond online, the website will guide you through each question on the 2020 Census and provide more information if you need it. The census form will be available in English and 12 additional languages. Videos and guides to the form will be available in 59 languages.

Secure

All responses submitted online are encrypted to protect personal privacy. Once responses are received, they are no longer online.
