The trash container (HOBO)

The trash container (HOBO) assigned to your residence is not to be left out at the curb on non-scheduled pick up days

The Code requires that the HOBO be brought to the curb prior to 7:00a.m. on the pickup day, and be removed back from the curb no later than 7:00p.m. of the pickup day.

The HOBO is to be stored near the house during other times.

Thank you for your assistance in this matter
