WATERING RESTRICTION NOTICE

The St. Johns River Water Management District has instituted a Phase II Severe Water Shortage Restriction for all people in areas served by the Cocoa Water Department. This includes the City of Rockledge.

Landscape Irrigation (Sprinkler Watering) is restricted to
ONLY BEFORE 10:00 a.m. and AFTER 4:00 p.m.

Existing Landscaping is allowed irrigation (Sprinkler watering) only when actually needed, and shall be limited to $\frac{3}{4}$ " of water per irrigated area.

New Landscaping is authorized to be irrigated as follows:

On any day before 10:00 a.m. and after 4:00 p.m.

Low Volume Irrigation (watering) shall be permitted anytime with a hand held garden hose, provided it is fitted with an automatic shutoff nozzle.

Water to Air Heat pump operation is permitted at anytime.

Personal Vehicle Washing must be done using a hand held hose equipped with an automatic shutoff nozzle.

Your cooperation in observing the water restrictions as set forth above will benefit the whole community and is greatly appreciated.

Disregard of watering rules could lead to action being taken by the City to enforce these rules.
