I have worked in nonprofit development and organizational excellence for the past 10 years across religious organizations, healthcare systems, and now with The University of Central Florida. During my career I have served on several boards and managed others. A large portion of my job in development includes exploring and facilitating community partnerships, industry recruitment, and corporate relations in the central Florida area. I am a life-long resident of Brevard County. I was born at Cape Canaveral Hospital, grew up in Merritt Island, and bought a home in Rockledge with my wife, who is a Rockledge native, 8 years ago. We are current parishioners of St. Mary Catholic Church where I sit on the parish finance council and am the council liaison to the school's board. I care deeply about the future of Rockledge and our entire county. I am passionate about ensuring that our city continues to create a strong and diverse portfolio of industries and consumer experiences in our ever-growing region. If I can provide additional information, references, or my resume, please do not hesitate to contact me. Thank you in advance for your consideration. Sean Farrell

Note:

Applications will be kept on file for a period of two (2) years. Periodic contact will be made to inquire into your interest in appointment to the selected board or committee before your application is submitted to the City Council.
